HUMANE TREATMENT OF ANIMALS POLICY

Murieta Equestrian Center enforces the humane treatment of all animals for shows held on our premises. Notification of mistreatment of animals may result in verbal and written warnings as well as those involved requested to leave the facility.

Slapping or hitting a horse on the head, one time or more than one time, in any manner, either with the rider's hands, reins or any other object; Using a bit in such a way that a horse is caused to bleed from its mouth or face; Using any object held in the rider's hand, other than the bridle reins or a light leather quirt, to hit a horse; Any act which the general public would perceive to be inhumane to the horse. This includes such acts occurring not only in the show arena but also those occurring anywhere on the show grounds including but not limited to, the warm-up area, practice pen or any other location.

1. If show management at any MEC event discovers inhumane treatment of a horse, it may immediately bar the responsible party and horse from further participation in the event. Show Management must be notified within seven days of the closing date of the show involved, and that complaint will be referred to the appropriate committee for investigation and consideration.

2. Inhumane treatment is the exhibition of a crippled or injured horse, or a horse with any other health abnormality, which could thereby result in the horse's undue discomfort or distress. The decision of show management or judge as to inhumane treatment shall be based upon consultation with a veterinarian. If show management or judge determines, in the sole discretion of either, that the welfare of the horse requires immediate action, and a veterinarian is not available, show management or judge may implement any action allowed by this rule.

3. Abuse includes excessive jerking, spurring, whipping, slapping, use of lip wire or similar device, or any other act intended to cause trauma or injury to a horse. Any act of abuse, or intent to abuse a horse, in the show arena or on the show grounds which could also potentially endanger the safety of other persons or animals will be dealt with in the strongest possible manner.

4. Administration of drugs while on the show grounds, including show arena and practice arena, is strictly prohibited unless administered in a life saving situation. Such an instance must be reported to show management. The decision of show management as to life saving treatment should be based on consultation with a veterinarian. Show management shall disqualify and/or refuse entry to any contestant and/or owner for violation of this rule.
